

Diamond Box

- Cut your DSP to 4" by 6"
- Score on the 6" side at 1 1/2" - 2 3/4" - 4 1/4" and 5 1/2"
- Score as seen on the graphic on the 4" side just within the narrow parts (at 2")
- Fold the straight lines (green) into mountains and the diagonal lines (blue) into a valley
- Glue or Snail +
- Die cut two circles to close the box
